American Book Publishing Record 2006

Black & Decker The Complete Photo Guide to

Home Repair Editors of Creative Publishing

2008-09-01 Bigger and better than ever The two previous editions of the book known by home improvement retailers as “Big Red” sold nearly 600,000 copies. This new edition features a larger portrait format for better visual clarity, and incorporates a new page layout style. But all the features that made the original America’s best-selling “bible” of home repair are still present here—thousands of color photographs and detailed step-by-step directions. The third edition also includes more than 30 projects not found in the original edition, as well as more than 300 new photos.

The Ultimate Focus Strategy Martin Meadows 2017-03-28 Discover 4 Steps to Permanently Eliminate Distractions and Focus on Your Goals in the Long-Term How do you feel about investing years of your life into achieving an important goal - your time, energy, money, blood, sweat, and tears - only to give up and throw it all away? If you constantly switch your attention from one thing to another, dabble in multiple projects, and give up on your goals whenever things get hard, you'll eventually fail - absolutely guaranteed! Wouldn't it be life-changing to finally be able to focus on your most important goals, work on them diligently on a daily basis, and make them a reality? Fortunately, even if you've been engaging in such unproductive behaviors ever since you can remember, you can escape this

vicious cycle. Written by bestselling author Martin Meadows, *The Ultimate Focus Strategy: How to Set the Right Goals, Develop Powerful Focus, Stick to the Process, and Achieve Success* uncovers a powerful strategy that helped him overcome extreme shyness, get in shape in less than twelve months after years of negligence, launch a successful business after six years of failures, release several bestsellers, learn two foreign languages, dramatically reduce his fear of heights, and travel to exotic destinations. Here's just a taste of what you'll learn from the book: - How to make smart sacrifices to achieve your goals. Sacrifice is a must, but it doesn't mean you have to throw your life out of balance. - How to set the right goals, transform them into real-world actions and motivate yourself to get started. Discover when and how to start working on your goals. - Learn how to overcome the common fears and problems of getting started, such as balancing several goals at once, overcoming a fear of failure and a fear of success

(it's more common than you think, and it might be one of the reasons why you struggle). - Discover a 4-step process that shows you how to develop deep focus on a single path. This is how ordinary people achieve extraordinary goals. - 7 powerful ways to overcome everyday distractions. Find out how to become focused, including how to recognize and avoid laziness triggers. - How to focus and take action when you're not motivated. A lack of motivation doesn't automatically mean you're destined to fail. Learn how to overcome this common problem and keep trucking! - How to prioritize what to do and manage your to-do list. You'll be surprised to hear such outrageous advice in a self-help work, but you'll surely find yourself nodding as you read it. - 3 key areas of life you have to change to get fascinated with your goal. Developing a positive obsession about your objectives can make the difference between success and failure. - 5 powerful tips to stick to your resolutions despite hurdles and challenges,

develop more patience, and bounce back after a failure. Learn how to persist, even in those challenging times when all you want to do is give up. - 3 golden rules for sustainable progress. Learn how to make the Ultimate Focus Strategy a part of your everyday life and achieve consistent results. - How to maintain success when you reach it. Discover the final lesson you absolutely need to heed, to stay successful for the rest of your life. Nothing prevents you from finally escaping the vicious cycle of working on your goals in an uncommitted way. Buy the book now, study the strategy, apply it, and reap the benefits for the rest of your life.
