

Amulet Manual

Getting the books **Amulet Manual** now is not type of challenging means. You could not only going when book deposit or library or borrowing from your associates to retrieve them. This is an completely easy means to specifically get guide by on-line. This online publication Amulet Manual can be one of the options to accompany you like having further time.

It will not waste your time. take on me, the e-book will enormously sky you new situation to read. Just invest tiny times to door this on-line statement **Amulet Manual** as capably as review them wherever you are now.

Arabic and Judaeo-Arabic Manuscripts in the Cambridge Genizah Collections Colin F. Baker 2001-01-25 Forms the first part of a project to classify and describe the Arabic portion of the Genizah Collection.

Field Manual for the Archaeology of Ritual, Religion, and Magic C. Riley Augé 2022-07-08 By bringing together in one place specific objects, materials, and features indicating ritual, religious, or magical belief used by people around the world and through time, this tool will assist archaeologists in identifying evidence of belief-related behaviors and broadening their understanding of how those behaviors may also be seen through less obvious evidential lines. Instruction and templates for recording, typologizing, classifying, and analyzing ritual or magico-religious material culture are also provided to guide researchers in the survey, collection, and cataloging processes. The bulleted formatting and topical range make this a highly accessible work, while providing an incredible wealth of information in a single volume.

Making Amulets Christian Theodore de Bruyn 2018-01-26 Making Amulets Christian: Artefacts, Scribes, and Contexts examines Greek amulets with Christian elements from late antique Egypt in order to discern the processes whereby a customary practice—the writing of incantations on amulets—changed in an increasingly Christian context. It considers how the formulation of incantations and amulets changed as the Christian church became the prevailing religious institution in Egypt in the last centuries of the Roman empire. Theodore de Bruyn investigates what we can learn from incantations and amulets containing Christian elements about the cultural and social location of the people who wrote them. He shows how incantations and amulets were indebted to rituals or ritualizing behaviour of Christians. This study analyzes different types of amulets and the ways in which they incorporate Christian elements. By comparing the formulation and writing of individual amulets that are similar to one another, one can observe differences in the culture of the scribes of these materials. It argues for 'conditioned individuality' in the production of amulets. On the one hand, amulets manifest qualities that reflect the training and culture of the individual writer. On the other hand, amulets reveal that individual writers were shaped, whether consciously or inadvertently, by the resources they drew upon—by what is called 'tradition' in the field of religious studies.

Maṅḍalas in the Making Michelle C. Wang 2018-02-05 This book examines the Maṅḍala of Eight Great Bodhisattvas during the Tibetan (786–848) and post-Tibetan Guiyijun (848–1036) periods at Dunhuang, focusing on the intersections between political authority, religious praxis, and visual language.

Ancient Christian Magic Marvin W. Meyer 1999-04-04 This thought-provoking collection of magical texts from ancient Egypt shows the exotic rituals, esoteric healing practices, and incantatory and supernatural dimensions that flowered in early Christianity. These remarkable Christian magical texts include curses, spells of protection from "headless powers" and evil spirits, spells invoking thunderous powers, descriptions of fire baptism, and even recipes from a magical "cookbook." Virtually all the texts are by Coptic Christians, and they date from about the 1st-12th centuries of the common era, with the majority from late antiquity. By placing these rarely seen texts in historical context and discussing their significance, the authors explore the place of healing, prayer, miracles, and magic in the early Christian experience, and expand our understanding of Christianity and Gnosticism as a vital folk religion.

Jonang: The One Hundred and Eight Teaching Manuals Jamgon Kongtrul 2021-01-26 Jamgön Kongtrul Lodrö Taye presents practical teachings from a variety of Tibetan Buddhist traditions in this volume of The Treasury of Precious Instructions. The Treasury of Precious Instructions by Jamgön Kongtrul Lodrö Taye, one of Tibet's greatest Buddhist masters, is a shining jewel of Tibetan literature, presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet. In its eighteen volumes, Kongtrul brings together some of the most important texts on key topics of Buddhist thought and practice as well as authoring significant new sections of his own. In this, the eighteenth volume, Kongtrul expands on The One Hundred and Eight Guidebooks, a collection of teaching manuals compiled by the sixteenth-century Tibetan master Kunga Drolchok, adding Indic source texts, Tibetan antecedents, and later interpretations. Though compiled by a Jonangpa abbot and transmitted by the Jonang tradition, these teaching manuals are actually drawn from the Kadam, Sakya, Kagyu, and, to a lesser extent, Nyingma traditions. They are succinct and impart practical wisdom, as transmitted by key figures like Kunga Chogdrub and Lowo Khenchen Sonam Lhundrub. Gyurme Dorje, the translator, provides extensive notes and helpful context throughout. The resulting volume preserves and integrates the diverse lineages of Tibetan Buddhism while providing useful advice to practitioners.

On My Right Michael, On My Left Gabriel Mika Ahuvia 2021-06-08 Angelic beings can be found throughout the Hebrew Bible, and by late antiquity the archangels Michael and Gabriel were as familiar as the patriarchs and matriarchs, guardian angels were as present as one's shadow, and praise of the seraphim was as sacred as the Shema prayer. Mika Ahuvia recovers once-commonplace beliefs about the divine realm and demonstrates that angels were foundational to ancient Judaism. Ancient Jewish practice centered on humans' relationships with invisible beings who acted as intermediaries, role models, and guardians. Drawing on non-canonical sources—incantation bowls, amulets, mystical texts, and liturgical poetry—Ahuvia shows that when ancient men and women sought access to divine aid, they turned not only to their rabbis or to God alone but often also to the angels. On My Right Michael, On My Left Gabriel spotlights these overlooked stories, interactions, and rituals, offering a new entry point to the history of Judaism and the wider ancient Mediterranean and Near Eastern world in which it flourished.

The Encyclopedia of Jewish Myth, Magic and Mysticism Geoffrey W. Dennis 2016-02-08 Jewish esotericism is the oldest and most influential continuous occult tradition in the West. Presenting lore that can spiritually enrich your life, this one-of-a-kind encyclopedia is devoted to the esoteric in Judaism—the miraculous and the mysterious. In this second edition, Rabbi Geoffrey W. Dennis has added over thirty new entries and significantly expanded over one hundred other entries, incorporating more knowledge and passages from primary sources. This comprehensive treasury of Jewish teachings, drawn from sources spanning Jewish scripture, the Talmud, the Midrash, the Kabbalah, and other esoteric branches of Judaism, is exhaustively researched yet easy to use. It includes over one thousand alphabetical entries, from Aaron to Zohar Chadash, with extensive cross-references to related topics and new illustrations throughout. Drawn from the well of a great spiritual tradition, the secret wisdom within these pages will enlighten and

empower you. Praise: "An erudite and lively compendium of Jewish magical beliefs, practices, texts, and individuals...This superb, comprehensive encyclopedia belongs in every serious library."—Richard M. Golden, Director of the Jewish Studies Program, University of North Texas, and editor of The Encyclopedia of Witchcraft: The Western Tradition "Rabbi Dennis has performed a tremendously important service for both the scholar and the novice in composing a work of concise information about aspects of Judaism unbeknownst to most, and intriguing to all."—Rabbi Gershon Winkler, author of Magic of the Ordinary: Recovering the Shamanic in Judaism

Small Arms of the World Edward Clinton Ezell 1977

The Mongolian Manuscripts on Birch Bark from Xarboxyn Balgas in the Collection of the Mongolian Academy of Sciences Elisabetta Chiodo 2000 Restored and edited with the cooperation of the Institute of Central Asian Studies of the University of Bonn.

The Amulet Manual Kim Farnell 2007 This is a wonderful book for those interested in learning about amulets and how to create them. Kim Farnell's expertise makes her the ideal guide. Her knowledge is sound and her instructions are always clear and easy to follow.

Handbook for the Study of the Historical Jesus (4 Vols) Tom Holmén 2010-12-01 With ca. 120 articles from ca. 100 writers from ca. 20 countries, this publication forms a repository where students and scholars can readily get to know their way around the breadth of recent research on the historical Jesus.

'Al Kanfei Yonah Jonas Carl Greenfield 2001 These volumes contain most of the papers of the late Jonas C. Greenfield written in English, with source and lexeme indexes, and is intended for scholars and students of the Ancient Near East, Aramaic, Hebrew Bible, Dead Sea Scrolls, and Semitic philology. Greenfield published numerous articles in a wide range of journals, some of them fairly inaccessible. He himself had begun to collect his papers, with the aim of revising and republishing them, when his sudden death intervened. It is the privilege of the editors, two close friends of Greenfield and one of his former students, to present this collection to the public. This collection shows the wealth, breadth, and creativity of Greenfield's substantial scholarship, as well as his desire to collaborate with his colleagues in academic pursuits. Jonas Greenfield Biography Prof. Jonas C. Greenfield was born in New York City in 1926 and completed his Ph.D. at Yale University in 1956. In addition to a distinguished teaching career that spanned nearly two and a half decades at the Hebrew University of Jerusalem, he was a member of the team of translators of the Jewish Publication Society and of the Dead Sea Scrolls Supervisory Committee of the Israel Antiquities Authority, an honorary fellow of the Royal Danish Academy of Sciences and Letters and the Royal Asiatic Society; in 1994, he was elected to the Israel Academy of Sciences and Humanities. He died unexpectedly in his sleep in 1995. Jonas was distinguished by his love of learning and his high regard for his colleagues and students--the values by which he lived as a man and a scholar.

The Dark Red Amulet Kenchen Palden Sherab 2009-02-16 The Dark Red Amulet presents the Vajrayana practice of Vajrakilaya according to the oral transmission lineage of the great seventeenth-century treasure-revealer Tsasum Lingpa. Vajrakilaya embodies the enlightened activity of all the buddhas that subjugates delusion and negativity in order to clear obstacles to spiritual practice. The essential purpose of Vajrakilaya practice is to discover the absolute vajra nature that will transform every duality hindrance into clear wisdom and compassion. In this text, the renowned scholars and meditation masters Khenchen Palden Sherab Rinpoche and Khenpo Tsewang Dongyal Rinpoche present the history of this lineage and the miraculous story of how Tsasum Lingpa revealed this terma teaching. Their line-by-line commentary on the short and condensed sadhanas provides an invaluable guide for practitioners to combine the skillful means of compassion and wisdom that are the foundation of Tibetan Buddhism.

Open Source Software Law Rod Dixon 2004 The convenient, fully searchable CD-ROM provides instant access to helpful license templates and important sections of laws.

Assyrian and Babylonian Scholarly Text Catalogues Ulrike Steinert 2018-06-11 The reconstruction of ancient Mesopotamian medical, ritual and omen compendia and their complex history is still characterised by many difficulties, debates and gaps due to fragmentary or unpublished evidence. This book offers the first complete edition of the Assur Medical Catalogue, an 8th or 7th century BCE list of therapeutic texts, which forms a core witness for the serialisation of medical compendia in the 1st millennium BCE. The volume presents detailed analyses of this and several other related catalogues of omen series and rituals, constituting the corpora of divination and healing disciplines. The contributions discuss links between catalogues and textual sources, providing new insights into the development of compendia between serialization, standardization and diversity of local traditions. Though its a novel corpus-based approach, this volume revolutionizes the current understanding of Mesopotamian medical texts and the healing disciplines of "conjurer" and "physician". The research presented here allows one to identify core text corpora for these disciplines, as well as areas of exchange and borrowings between them.

Ornament and Amulet Marian Wenzel 1993 The Nasser D. Khalili Collection contains a remarkable group of more than 600 finger rings from the Islamic world and beyond. These rings provide a rare opportunity to survey the history of this form in the Middle East and southern Asia over the last two millennia, for the oldest examples are two Hellenistic glass rings from the second or first century BC, while the most recent dated specimen is a signet made in India in 1920. This wealth of evidence has allowed the author to present a typology of Islamic rings within a broad chronological framework, and the colour illustrations standard to the series have been supplemented by several drawings of each ring.

The High Magic of Talismans and Amulets Claude Lecouteux 2014-05-14 A comprehensive study of the use of talismans and amulets in the Western Mystery Tradition • Provides an in-depth look at the medieval and Renaissance use of amulets and talismans, including the work of Agrippa, Albertus Magnus, and Athanasius Kircher • Provides a full summary of the magical knowledge required to make an amulet or talisman, including the invocations required to activate their powers • Reviews different kinds of amulets and talismans, from ancient jewelry and magical objects to the modern rabbit's foot or lucky horseshoe The use of talismans and amulets stretches back nearly to the dawn of man, from everyday items magically prepared, such as horns or coins, to intricate and beautiful jewelry imbued with protective powers. Drawing on his private collection of medieval manuscripts as well as his privileged access to the rare book archives of major European universities, Claude Lecouteux provides a comprehensive history of

the use of talismans and amulets for protection, healing, and divine influence. He explores their use in the Western Mystery Tradition as well as Eastern and Middle Eastern beliefs about these magical objects and their incorporation--despite Church anathema--into the Christian tradition of Medieval Europe. Reviewing many different kinds of amulets and talismans used throughout the ages, such as a rabbit's foot, horseshoe, gris-gris bag, or an inscribed parchment charged through ritual, he details the principles and symbology behind each object and shows that their use is still as widespread today as any time in the past. Lecouteux explains the high magic behind the hermetic art of crafting amulets and talismans: the chains of sympathy, astrological geography, and the invocations required to activate their powers. He explores the work of adepts such as Agrippa, Albertus Magnus, and Athanasius Kircher, including an in-depth look at Kircher's work on planetary seals in his *Oedipus Aegyptiacus*. Illustrated throughout with period art depicting magical symbols, seals, and a wide array of talismans and amulets, this comprehensive study provides a practical guide to the historical development and step-by-step creation of magical objects.

Going out in Daylight – prt m hrw Stephen Quirke 2013-05-31 First full illustrated translation with Egyptian transliteration, aiming to present with their individual histories all the compositions on prt m hrw "Book of the Dead" papyri from the New Kingdom to Ptolemaic Period. The volume gives at least one version of every written composition, together with one or more images for the essential pictorial component of all writings for which illustrations are known. Writings at the margins or outside the prt m hrw corpus, including all ascribed "Book of the Dead" numbers in Egyptological publications, are included in the final section. The translations are supported by a thematic and historical introduction and closing glossary.

Late Antiquity Glen Warren Bowersock 1999 A colorful tour of late antiquity covers late Roman, Byzantine, Sassanian, and early Islamic culture and discusses topics ranging from angels in Islam, concubinage, barbarians and ethnicity, and empire building.

Confucian Rituals and Chinese Villagers Yonghua Liu 2013-08-22 In Confucian Rituals and Chinese Villagers, Yonghua Liu examines how Confucian rituals were introduced to the Chinese countryside and how this introduction brought about social and cultural transformations in late imperial and modern periods.

Shan Manuscripts B. J. Terwiel 2003 Shan people can be found in a belt stretching from Assam (Northeastern India) over Myanmar (Burma) to the Chinese province Yunnan. In this volume Shan manuscripts from collections in Berlin, Munich and Hamburg are described. In this catalogue a total of 335 manuscripts and inscribed pieces of cloth are introduced. For each document there is mentioned its title, the date, the author, its appearance as well as a summary of the contents. In the introduction many topics are raised, such as a short history of the Shan, the Shan script, famous authors, material writing culture, a typology of written documents, and the principles of prosody. "In compiling this catalogue of Shan manuscript, Terwiel and Chaichuen have done valuable work which will be appreciated by everyone who is doing research on Shan or Tai culture or cultural history and related themes by using original indigenous sources. [a] The completion of this work marks a new milestone in Shan studies and Tai studies as a whole." Tai culture.

The Transformation of Greek Amulets in Roman Imperial Times Christopher A. Faraone 2018-03-19 Featuring over 120 illustrations, *The Transformation of Greek Amulets in Roman Imperial Times* is an essential reference for those interested in the religion, culture, and history of the ancient Mediterranean.

Outcastia Campaign Setting Book I: World Tour Nitehawk Interactive Games

Pagan Degrees for Children Shanddaramon 2009-09 This book provides a system of learning Pagan and good living concepts just for children and young adults through three main degrees. Children from the ages of 5 -- 18 can work on obtaining the Neophyte, Apprentice, and Mage Degrees by meeting specific goals designed for children and by completing the requirements for earning Achievement Awards. The Neophyte Degree is subdivided into several Levels to help give young children small and easily obtainable goals. Provided with each Degree and Award is a great deal of information and sources for learning and for exploring.

The Oxford Handbook of Byzantine Art and Architecture Ellen C. Schwartz 2021-11-19 Byzantine art has been an underappreciated field, often treated as an adjunct to the arts of the medieval West, if considered at all. In illustrating the richness and diversity of art in the Byzantine world, this handbook will help establish the subject as a distinct field worthy of serious inquiry. Essays consider Byzantine art as art made in the eastern Mediterranean world, including the Balkans, Russia, the Near East and north Africa, between the years 330 and 1453. Much of this art was made for religious purposes, created to enhance and beautify the Orthodox liturgy and worship space, as well as to serve in a royal or domestic context. Discussions in this volume will consider both aspects of this artistic creation, across a wide swath of geography and a long span of time. The volume marries older, object-based considerations of themes and monuments which form the backbone of art history, to considerations drawing on many different methodologies--sociology, semiotics, anthropology, archaeology, reception theory, deconstruction theory, and so on--in an up-to-date synthesis of scholarship on Byzantine art and architecture. *The Oxford Handbook of Byzantine Art and Architecture* is a comprehensive overview of a particularly rich field of study, offering a window into the world of this fascinating and beautiful period of art.

The Lovelorn Ghost and the Magical Monk Justin Thomas McDaniel 2013-12-01 Focusing on representations of a famous ghost and monk from the late eighteenth century to today, Justin Thomas McDaniel builds a case for interpreting modern Thai Buddhist practice through the movements of these transformative figures. He follows embodiments of the ghost and monk in a variety of genres and media, including biography, drama, ritual, art, liturgy, film, television, and the Internet. Sourcing nuns, monks, laypeople, and royalty, McDaniel shows how relations with these figures have been instrumental in crafting histories and modernities, particularly local conceptions of being "Buddhist," and the formation and transmission of such identities across different venues and technologies.

Amulets and Superstitions E. A. Wallis Budge 2013-02-19 Comprehensive discourse on origin, powers of amulets in many ancient cultures. Covers cross, swastika, crucifix, seals, rings, stones, etc.

The Body Incantatory Paul Copp 2014-09-09 Whether chanted as devotional prayers, intoned against the dangers of the wilds, or invoked to heal the sick and bring ease to the dead, incantations were pervasive features of Buddhist practice in late medieval China (600D1000 C.E.). Material incantations, in forms such as spell-inscribed amulets and stone pillars, were also central to the spiritual lives of both monks and laypeople. In centering its analysis on the Chinese material culture of these deeply embodied forms of Buddhist ritual, *The Body Incantatory* reveals histories of practice and logics of practice that have until now remained hidden. Paul Copp examines inscribed stones, urns, and other objects unearthed from anonymous tombs; spells carved into pillars near mountain temples; and manuscripts and prints from both tombs and the Dunhuang cache. Focusing on two major Buddhist spells, or dharani, and their embodiment of the incantatory logics of adornment and unction, he makes breakthrough claims about the significance of Buddhist incantation practice not only in medieval China but also in Central Asia and India. His work vividly captures the diversity of Buddhist practice among medieval monks, ritual healers, and other individuals lost to history, offering a corrective to accounts that have overemphasized elite, canonical materials.

The Wiccan Minister's Manual, a Guide for Priests and Priestesses Kevin M. Gardner 2008-07-10 "The Wiccan Minister's Manual, A Guide For Priests and Priestesses," was inspired as a training aid for those who would like to become Wiccan Ministers, as well as an aid for Wiccan/Pagan Priests and Priestesses. The Craft is evolving, becoming more and more accepted by society, and there is beginning to be a definite distinction between Wiccan Laity and Wiccan Clergy. Part One - Guidance - Making the spiritual connection to personal deity through love, prayer, meditation, ritual, and myth and how to guide others to create their own personal connections. Part Two - Wiccan religious philosophy and guidance - How to live a spiritual life in the modern world. Part Three - various methods of healing mind, body and spirit - Including some legal pit-falls to avoid, plus chapter eleven presents an extensive discourse on Pastoral Counseling. Part Four deals with psychic self-defense and rituals of protection. Including House Clearings, Banishings, and Exorcism. Additionally, the author explains what to look for and what to look out for while determining if an exorcism is really needed or if the client is suffering from psychosis and is in need of a professional therapist. Part Five focuses upon the spiritual support roles. It covers, dealing with death and dying, Funerals, Prison Ministry, Legal requirements of doing Handfastings in all 50 states, plus a discourse on whether or not to incorporate. This work begins to fill yet another gap in this area of the Wiccan religious structure as it brings back much of the older knowledge and philosophy that seems to be waning from the collective Wiccan memory. Reviewed by Edain McCoy; "Kevin, I received my copy of "Wiccan Minister's Manual Its terrific! You cover everything... Personally, I think you did a great job at making your book useful to all trads."

Sources of Evil Greta Van Buylaere 2018-05-03 *Sources of Evil* is a collection of thirteen essays on the knowledge employed by Mesopotamian healing experts to help patients who were suffering from misfortunes caused by divine anger, transgressions of taboos, demons, witches, or other sources of evil.

The Ritual and Mythology of the Chinese Triads Barend ter Haar 2021-11-15 This monograph presents a thorough investigation into the phenomenon of the Chinese Triads, their ritual and mythological lore, and their meanings and functions. On the foundations of a wide variety of primary and secondary sources, among which also recent Chinese scholarship, the author interprets Triad myth and ritual in their Chinese religious context. The work includes fine discussions of Triad symbolism, initiation rituals, blood covenants, foundation myth, eschatology, political ideas and other topics. The origins of the Chinese Triads are newly interpreted, as well as the meanings and functions of their ritual and mythological lore, and how these fitted into local religious culture.

Cardiac Modeling: Aiming for Optimization of Therapy Javier Saiz 2020-12-15

Dungeons & Dragons Dungeon Master's Guide Monte Cook 2003 Weave exciting tales of heroism filled with magic and monsters. Within these pages, you'll discover the tools and options you need to create detailed worlds and dynamic adventures for your players to experience in the *Dungeons & Dragons* roleplaying game. The revised *Dungeon Master's Guide* is an essential rulebook for *Dungeon Masters* of the *D&D* game. The *Dungeon Master's Guide* has been reorganized to be more user friendly. It features information on running a *D&D* game, adjudicating play, writing adventures, nonplayer characters (including nonplayer character classes), running a campaign, characters, magic items (including intelligent and cursed items, and artifacts), and a dictionary of special abilities and conditions. Changes have been made to the item creation rules and pricing, and prestige classes new to the *Dungeon Master's Guide* are included (over 10 prestige classes). The revision includes expanded advice on how to run a campaign and instructs players on how to take full advantage of the tie-in *D&D* miniatures line.

The History & Use of Amulets, Charms and Talismans Gary R. Varner 2008-06 Amulets and charms have been used since mankind evolved from its distant origins millions of years ago. They have been used to protect and to harm, and in both the practice and avoidance of witchcraft and sorcery. They are made of wood and stone, clay, metal, plants and dead animals. They are carved into crude shapes and in the most exquisite forms. They may also be composed entirely of words, which are believed to have great power and magical properties. Used by pagans, Christians, Jews and followers of every faith and tradition known across the world, they are considered direct links to the gods and local spirits. All are links to the supernatural. Regardless if they are called amulets, charms or talismans, these objects are credited with providing cures, causing evil, and bringing health and prosperity. This book, using ethnographic studies, ancient records and folklore, will explore the history and use of amulets and will show that they continue to be an important part of our modern culture.

Routledge Handbook of Chinese Medicine Vivienne Lo 2022-06-20 *The Routledge Handbook of Chinese Medicine* is an extensive, interdisciplinary guide to the nature of traditional medicine and healing in the Chinese cultural region, and its plural epistemologies. Established experts and the next generation of scholars interpret the ways in which Chinese medicine has been understood and portrayed from the beginning of the empire (third century BCE) to the globalisation of Chinese products and practices in the present day, taking in subjects from ancient medical writings to therapeutic movement, to talismans for healing and traditional medicines that have inspired global solutions to contemporary epidemics. The volume is divided into seven parts: *Longue Durée* and *Formation of Institutions and Traditions* *Sickness and Healing* *Food and Sex* *Spiritual and Orthodox Religious Practices* *The World of Sinographic Medicine* *Wider Diasporas* *Negotiating Modernity* This handbook therefore introduces the broad range of ideas and techniques that comprise pre-modern medicine in China, and the historiographical and ethnographic approaches that have illuminated them. It will prove a useful resource to students and scholars of Chinese studies, and the history of medicine and anthropology. It will also be of interest to practitioners, patients and specialists wishing to refresh their knowledge with the latest developments in the field. The Open Access version of this book, available at <http://www.taylorfrancis.com>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license

Jamgon Kongtrul's Retreat Manual Kong-sprul Blo-gros-mtha'-yas 1994 A guide for retreats, provides full details of the Tibetan meditation program and offers advice for re-entry into the world.

Ritual and Mythology of the Chinese Triads B. J. Ter Haar 2000-01-01 This new paperback title in Brill's *Scholars List* presents a thorough investigation into the phenomenon of the Chinese Triads, their ritual and mythological lore, and their meanings and functions. On the foundations of a wide variety of primary and secondary sources, among which also recent Chinese scholarship, the author interprets Triad myth and ritual in their Chinese religious context. **The Amulet Reference Manuals** 1995 Abstract: "The Amulet User Interface Development Environment contains a comprehensive set of tools that make it significantly easier to design and implement highly interactive, graphical, direct manipulation user interfaces. Applications implemented in Amulet will run without modification on both Unix and PC platforms. Amulet provides a high level of support, while still being Look-and Feel independent and providing applications with tremendous flexibility. Amulet currently provides a low-level toolkit layer, which is an object-oriented, constraint-based graphical system that allows properties of graphical objects to be specified in a simple, declarative manner, and then maintained automatically by the system. The dynamic, interactive behavior of the objects can be specified separately by attaching high-level 'interactor' objects to the graphics. Higher-level tools are currently in production, which will allow

user interfaces to be layed [sic] out without programming. The Amulet toolkit is available for unlimited distribution by anonymous FTP. Amulet uses X/11 on Unix-

based systems and the native Windows NT graphics on PC's. This document contains an overview with downloading and installation instructions, a tutorial, and a full set of reference manuals for the Amulet system."
