*Beautiful Enemy* Piper Lawson 2021-05-12 Enjoy this steamy British billionaire romance novel from USA Today bestselling author Piper Lawson! I sold my soul to a man I hate. Now, he owns me. I had a plan: sign a contract and board a plane to Ibiza. The anonymous deal would salvage the smoldering wreckage of my life. It would not involve billionaire Harrison King, the reason I need saving in the first place. He's as beautiful as he is ruthless. A British business titan who makes a living getting what he wants. The man flies private. Dates supermodels. But the crisp accent and cocky smirk don't fool me. He's a gentleman on the outside, a savage beneath. He knows nothing about compromise, and even less about love. Because after my attempt to publicly stand up for those who needed it, he destroyed my reputation. Now, he's come for the rest of me. I can't escape him, no matter what he has planned. But the first rule of war is never underestimate your opponent. Harrison King might know my secrets... But kings keep secrets too. The series covers everything from finding out about the good, bad, and ugly of each other to meeting the family. There are raw emotions in these books.\* --~Random Musesomy Book Blog This [Theo and Lizzy] series just takes my breath away. Breathless!!!! That's how this book made me feel from beginning to end. It was one of those books I just couldn't put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. This is not your typical cliched romance novel,where you can tell practically from the first page what is going to happen. Oh no! This book has you waiting with bated breath to see what happens next. I cannot wait for the next book. Ms Babylon is a genius,who proves every skeptic who says all romance novels are alike, wrong! All I can say is they have never read an erotic romance Blair Babylon style. --Karen R. Amazon Review. “Literary GOLD. Of the three BID books I have read thus far, this is by far my favorite. I haven’t cried this much about a book in forever! I mean I literally cried through the final 20 pages of Xan & Georgie’s book... I mean I tear up every time just thinking about it. Ever had a book that touches your romantic spirit? Ever had a book that breaks your heart? Ever had a book that touched your musical soul? Well this one does that. ADVICE: Do yourself a favor, and don’t read these books out of order. I am glad that I went back and read these books in order.” – Just Because, Amazon Reviewer INCLUDES: A Billionaire in Disguise -- Billionaires in Disguise: Wulf #1 A Tycoon Undercover -- Billionaires in Disguise: Wulf #2 A Prince, Incognito -- Billionaires in Disguise: Wulf #3 Billionaire Ever After -- Billionaires in Disguise: Wulf #4 (Stories and Epilogues below) Falling Hard -- Billionaires in Disguise: Lizzy #1 Playing Rough -- Billionaires in Disguise: Lizzy #2 Breaking Rules – Billionaires in Disguise: Lizzy #3 Burning Bright -- Billionaires in Disguise: Lizzy #4 “Alwaysland” -- Billionaires in Disguise: Xan Prequel Every Breath You Take -- Billionaires in Disguise: Xan #1 Wild Thing -- Billionaires in Disguise: Xan #2 “Skiing in June” -- A Billionaires in Disguise: Wulf and Rae Epilogue “Kidnapped” -- A Billionaires in Disguise: Wulf and Rae Epilogue “Rae and Wulf: At the Hospital” -- An Epilogue to the Epilogue “Kidnapped” Lay Your Hands On Me -- Billionaires in Disguise: Xan #3 Nothing Else Matters – Billionaires in Disguise: Xan #4 “Montreux” -- A Billionaires in Disguise: Wulf and Rae Epilogue “Dream On” -- Billionaires in Disguise: Xan Epilogue #1 “Keep Dreaming” -- Billionaires in Disguise: Georgie and Xan Epilogue #2 “Small Miracles” -- Billionaires in Disguise: Georgie and Xan Epilogue #3 Once Upon A Time -- Billionaires in Disguise: Flicka USA Today Bestselling Author Blair Babylon writes bestselling romance books that will free your mind. Tristan is twenty-six years old, six-feet-four, wealthy, frighteningly good at day-trading stocks, and lives on a yacht in Monaco. The Prince of Monaco is his buddy from boarding school, and his other friends are billionaires, politicians, CEOs, actors, and rock stars. He dates heiresses, minor princesses, models, and Fortune 50 VPs. He has it all. But a debt has come due, and Tristan needs a large amount of stock of a certain company, GameShack. If he doesn't produce it, he'll be in debt for the rest of his life. It's worth far more money than Tristan has. It's more money than anyone has. To get the stock, Tristan has to destroy GameShack. He haunts the stock forum SherwoodForest day and night, looking for a crack in the company's financial armor, until the forum's moderator, QueenMod, suspects his motives and trolls his every move. But he'll figure it out. He has to. Otherwise, he'll not only be broke and in debt, but it will probably cost him his life. What Tristan hadn't counted on was meeting Colleen Frost, a perky, funny GameShack employee while on a recon trip. She has no idea what he's up to, or so he thought. ----- By day, Colleen Frost works the register at GameShack, but by night, she's a moderator on the infamous stock market activist website SherwoodForest. She's paid back half her student loans by trolling short-traders who tried to make a quick buck by setting companies on fire and selling the ashes. And it's fun, too. When her sub-forum begins to crackle with rumors that someone is trying to crash GameShack's stock, she suspects forum member TwistyTrader might be in on it. So, she dogs him every time he's online, calling out his baloney and making his forum life a living heck. But when a tall, handsome hunk named Tristan King with incredible sapphire eyes walks into her GameShack store and starts flirting with her, all the while chatting about her favorite videogame, she gives him her online contact info, which turns into a coffee date, which turns into more. And that's when things get TWISTED. . . . . USA Today Bestselling Author Blair Babylon writes bestselling romance books that will free your mind. *A Prince Incognito* Blair Babylon 2021-06-11 One wild quickie with a sexy stranger might destroy Rae. She should have gone home when she'd had the chance, but tall, blond, ripped Wulfram von Hannover had proved too much of a temptation for small-town girl Rae Stone. She should have left college and gone home, where they would have shunned her for leaving in the first place. No, she shouldn't have. Sometimes, love has a way of working out. And it's going to work out in Paris. *Under Parr* Blair Babylon 2021-09-14 Jericho Parr is a tall, handsome, cocky rich guy who's gotten everything he's ever wanted in life with a twinkle in his devastatingly blue eyes, but he's going to lose this time. Newcastle Golf Club is the hub of my community. So when hunky Jericho Parr buys the club and is going to change it, I'm going to fight him every step of the way. Fighting him would be a lot easier if Jericho wasn't a cocky flirt who knows how dang handsome he is. With a dirty sparkle in his blue eyes and an iron determination, he's out to change the most important parts of NGC. When I try to reason with him, he won't budge an inch. When I try to explain the importance of it, he smiles that dashing, mischievous grin and goes right back to work. So I'm going to try everything to get him to listen to me. Everything is on the table, and on his desk, and in the shady clearing behind the fifth fairway. But he's still working like a demon to obliterate the charming parts of NGC like he's on a deadline. Something else was going on with him. ----- If I lose this bet, it will bankrupt the company that I and my three best friends have built for the last ten years. But to win it, I have to destroy what Tiffany Jones loves the most. It was a stupid, drunken, New Year's Eve bet. We would each buy a golf business, and whoever increased their business's net worth the most would win the bet. But we each bet a hundred million dollars. And we all bet against Gabriel "The Shark." The winner will walk away with half a billion dollars. The other four guys will be bankrupt. So I bought Newcastle Golf Club, a picturesque but struggling community golf course in New England. I had big plans to turn it around, invest in the course and the club, and attract members from the McMansion enclave of new millionaires who'd made their fortunes in tech and Boston real estate just a few miles away. But I didn't count on the club's golf instructor, Tiffany Jones, standing in my way. She's a sweet, curvy woman with the golf swing of a ballet dancer and the personality of a momma bear who's protecting her cub. I mean, club. She insists that the Newcastle Golf Club is an important part of the community as it is, and my plans to upgrade and raise the membership dues will destroy its most important role. But if I don't, I'll lose the bet and my friends' investments. But she's beautiful, and she's passionate, and she's absolutely fascinating to talk to. I want to show her the whole world and see it through her eyes. But first, I have to win the bet, or Gabriel "The Shark" will walk away with everything we've worked for. ----- Blair Babylon's Bio: "I'm passionate about books and literature. He never should have been there. But he was. So was Simone. She's trouble from our past at boarding school. Her husband is a good friend of some of the people who would be happier if Maxence wasn't around anymore. They tell me Maxence was here in the casino, and then a few minutes later, he was gone. *Working Stiff* Blair Babylon 2016-05-11 Here's the problem: when Rox was hired, she told her smoking-hot boss Cash that she was married, but she's not. Now, three years later, she's kind of accidentally living with him, and he's being a perfect gentleman, dang it.Everybody in the office said that Cash was a heartbreaker, that he'd bump her and dump her, so Rox decided not to become a statistic. She went out and bought herself some rings of the finest cubic zirconia so that she could work with Cash, who was several inches over six feet tall, emerald-eyed, ripped, gorgeous, his tailored suit clinging to his athletic body, sporting a British accent, and loaded.It had seemed like such a good idea at the time.But now, three years later, she and Cash have become friends. They travel together for work often, and they're the best of buddies.When Rox gets thrown out of her apartment, Cash insists that she come live with him until they can find her a place because that's what friends do.Now, even though everyone insists that Cash never goes after married women, something about him has changed. There are little touches, little slips, and Rox is more and more tempted to tell hunky, gorgeous Cash that she never was married.And then he'll take her and break her, and then he'll walk away, and then she'll lose her job, and she still hasn't found a place to live.And yet, every time he looks at her with mischief in his dark green eyes, every time they're teasing and it somehow turns into tickling, every time she swats at him and somehow ends up in his arms, she wants so much to risk everything.What's a working stiff to do when she falls in love with her friend, the boss?

**Leave Him Loved** Harloe Rae 2021-02-19 I'm a city girl—born and raised. A towering high-rise that overlooks the hustle and bustle is where my future should lead. Living in farm country? That possibility never had a place on my bucket list. Until now. Bumping into Reeve Colton—local bachelor and shameless flirt—on my introductory stroll down Main Street is a pleasant surprise. The small-town charm of Bampton Valley begins sinking in that afternoon. Maybe this temporary relocation is a blessing in disguise. What starts as a bit of fun becomes complicated in a hurry. It turns out Reeve and I have more in common than our mutual appreciation for good barbecue. But that won't change the inevitable. When my contract is done, I'll be leaving him—and Bampton Valley—behind.

**Never Gonna Happen** Cynthia Eden 2020-06-16 No. Absolutely not. He will not fall in love with his best-friend's little sister. He is not that guy. So...yeah, okay, Alyssa Kyle is gorgeous and funny, and she's slipped into more than a few of his fantasies over the years, but Sebastian Ridgeway is not about to cross that particular line. No way. No day. Today is the day. Alyssa's in trouble. Someone shot at her—actually shot at her—and now she's getting all kinds of threatening messages. Messages that say she's about to pay for her brother's crimes. Only her brother is a computer gaming designer, not some secret agent. The bad guys out there have obviously made a mistake. There is no mistake. Sebastian and Alyssa's brother, Antony, have been working the spy game for years. They started as hacking teens but graduated to the big leagues—and their gaming company is just their cover. Apparently, their cover has been blown. Now some of the bad guys they've taken down want payback—and Alyssa is being targeted. Her brother is out of the country, gone dark on an assignment, and Sebastian can't just leave Alyssa on her own to face the wolves. Not happening. So... Time to get close. He moves Alyssa into his home. Provides twenty-four seven protection for her. He figures he can keep his secret desire for her in check—he's done it for years, after all—or at least, that's the initial plan. Until he finds out that Alyssa has been longing for him. That he's starred in more than a few of her fantasies, too. All bets are off. He's held back for years, thinking he was doing the right thing. Thinking he'd never truly deserve a woman like her. But if Alyssa wants him, if Alyssa needs him, nothing will stop him from claiming the woman who owns his heart. Not the bad guys who are closing in, not the government who wants his tech, and not even Alyssa's big brother. Keep his hands off her? Stay away from Alyssa? Sorry, that's...NEVER GONNA HAPPEN. Absolutely, one hundred percent...Sebastian will not let her go, and he will prove that he is the guy—the only one—for her.

**How Propaganda Works** Jason Stanley 2015-05-26 How propaganda undermines democracy and why we need to pay attention Our democracy today is fraught with political campaigns, lobbyists, liberal media, and Fox News commentators, all using language to influence the way we think and reason about public issues. Even so, many of us believe that propaganda and manipulation aren't problems for us—not in the way they were for the totalitarian societies of the mid-twentieth century. In *How Propaganda Works*, Jason Stanley demonstrates that more attention needs to be paid. He examines how propaganda operates subtly, how it undermines democracy—particularly the ideals of democratic deliberation and equality—and how it has damaged democracies of the past. Focusing on the shortcomings of liberal democratic states, Stanley provides a historically grounded introduction to democratic political theory as a window into the misuse of democratic vocabulary for propaganda's selfish purposes. He lays out historical examples, such as the restructuring of the US public school system at the turn of the twentieth century, to explore how the language of democracy is sometimes used to mask an undemocratic reality. Drawing from a range of sources, including feminist theory, critical race theory, epistemology, formal semantics, educational theory, and social and cognitive psychology, he explains how the manipulative and hypocritical declaration of flawed beliefs and ideologies arises from and perpetuates inequalities in society, such as the racial injustices that commonly occur in the United States. *How Propaganda Works* shows an understanding of propaganda and its mechanisms is essential for the preservation and protection of liberal democracies everywhere.

**Post Cinematic Affect** Steven Shaviro 2010 Post-Cinematic Affect is about what it feels like to live in the affluent West in the early 21st century. Specifically, it explores the structure of feeling that is emerging today in tandem with new digital technologies, together with economic globalization and the financialization of more and more human activities. The 20th century was the age of film and television; these dominant media shaped and reflected our cultural sensibilities. In the 21st century, new digital media help to shape and reflect new forms of sensibility. Movies (moving image and sound works) continue to be made, but they have adopted new formal strategies, they are viewed under massively changed conditions, and they address their spectators in different ways than was the case in the 20th century. The book traces these changes, focusing on four recent moving-image works: Nick Hooker's music video for Grace Jones' song Corporate Cannibal; Olivier Assayas' movie Boarding Gate, starring Asia Argento; Richard Kelly's movie Southland Tales, featuring Justin Timberlake, Dwayne Johnson, and other pop culture celebrities; and Mark Neveldine and Brian Taylor's Gamer.
