*Every Breath You Take* Mary Higgins Clark  
2017-11-07 The New York Times bestselling Under Suspicion series by the "Queen of Suspense" Mary Higgins Clark and Alafair Burke returns with this gripping mystery following television producer's Laurie Moran investigation of the unsolved Met Gala murder—in which a wealthy widow was pushed to her death from the famous museum's rooftop. Laurie Moran's professional life is a success—her television show Under Suspicion is a hit, both in the ratings and its record of solving cold cases. But her romantic

break from former host Alex Buckley has left her with on-air talent she can't stand—Ryan Nichols—and a crippling sense of loneliness. Now Ryan has suggested a new case. Three years ago, Virginia Wakeling, a member of the Board of Trustees of the Metropolitan Museum of Art and one of the museum's most generous donors, was found dead in the snow, after being thrown from the museum's roof on the night of the Met Gala. The leading suspect then and now is her much younger boyfriend and personal trainer, Ivan Gray. Ivan runs a trendy, successful boutique gym called Punch—a business funded in no small part by the late Virginia—which happens to be the gym Ryan frequents. Laurie's skepticism about the case is upended by a tip from her father's NYPD connection, and soon Laurie realizes there are a bevy of suspects—including Virginia's trusted inner circle. As the Under Suspicion crew pries into the lives of a super wealthy real estate family with secrets to hide, danger mounts for several witnesses—and for

Laurie.

### The Cinderella Murder Mary Higgins Clark

2015-08-25 In this collaboration between “Queen of Suspense” Mary Higgins Clark and bestselling author Alafair Burke, “the snappy pace, layered characters, and many plot surprises will keep readers guessing in this fascinating mystery” (Booklist). Television producer Laurie Moran is delighted when the pilot for her reality drama, *Under Suspicion*, is a success. Even more, the program—a cold case series that revisits unsolved crimes by recreating them with those affected—is off to a fantastic start when it helps solve an infamous murder in the very first episode. Now Laurie has the ideal case to feature in the next episode of *Under Suspicion*: the Cinderella Murder. When Susan Dempsey, a beautiful and multi-talented UCLA student, was found dead, her murder raised numerous

questions. Why was her car parked miles from her body? Had she ever shown up for the acting audition she was due to attend at the home of an up-and-coming director? Why does Susan’s boyfriend want to avoid questions about their relationship? Was her disappearance connected to a controversial church? Was she close to her computer science professor because of her technological brilliance, or something more? And why was Susan missing one of her shoes when her body was discovered? With the help of *Under Suspicion* host Alex Buckley, Laurie knows the case will attract great ratings, especially when the former suspects include Hollywood’s elite and tech billionaires. The suspense and drama are perfect for the silver screen—but is Cinderella’s murderer ready for a close-up? Together Mary Higgins Clark and Alafair Burke deliver “plenty of intrigue and excitement” (Publishers Weekly) in this exciting start to a new series that will keep you guessing until the final page.
