**The Life of Samuel Johnson** James Boswell 2015-11-24 One of the greatest and most compelling of all biographies in literature had its beginnings on a fateful day in London in 1763, when young James Boswell determinedly attached himself to the dominant literary figure of his age—the splendidly humane, devastatingly witty, often troubled Dr. Samuel Johnson. What followed was one of the most famous of literary friendships, one that Boswell carefully documented over the years and eventually made the basis of an extraordinarily vivid group portrait. Johnson was at the center of a brilliant circle that included the painter Sir Joshua Reynolds, the actor David Garrick, the writers Frances Burney and Edmund Burke, and even King George III. By incorporating conversations he had recorded and including a wealth of personal and human details in his LIFE OF SAMUEL JOHNSON, Boswell revolutionized the art of biography. He not only managed to bring to life the towering and complicated figure of Johnson, but also provided an intimate picture of private life that mingled the hero's humbler friends with the greatest talkers of a talkative age. The result is an enduring monument to a remarkable man that ensured Boswell's own place in literary history.

*The Handbook of International Humanitarian Law* Dieter Fleck 2021-02-25  
The Handbook of International Humanitarian Law sets out a black letter text of international humanitarian law accompanied by case analysis and extensive explanatory commentary by a team of distinguished and internationally renowned experts. This is the fourth edition of this influential and comprehensive handbook. It has been extensively updated and revised, taking into account recent legal developments, such as the 2017 Nuclear Weapons Prohibition Treaty, as well as the ongoing debate on many old and new issues. Areas covered by the book include the notion of

direct participation in hostilities; air and missile warfare; military operations in outer space; military cyber operations; belligerent occupation; operational detention; and the protection of the environment in relation to armed conflict. The continuing need to consider borderline issues of the law of armed conflict as well as the interplay of international humanitarian law, human rights law, and other branches of international law is highlighted. This Handbook provides an in-depth understanding of the development and current problems of the law of armed conflicts. It considers legal and policy issues both from the views of academics and military and diplomatic practitioners. Finally - and most importantly - it offers a complete account of activities that should be taken to improve the implementation and enforcement of international humanitarian law.

**Prayer Bullets** Maureen Kanu 2017-06-12 The Bible says "if the foundation be destroyed, what can the righteous do?" (Psalm 11:3). Foundation speaks of one's source, everyone born of a woman has a source and I can boldly say that everyone born of a woman has a wrong or faulty foundation, when things begin to happen to you and you can't understand or trace its cause, then a wrong foundation is speaking, people suffer for sins that they know nothing about, sins of the forefathers, hear what this passage of the Bible says; ..... "visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;" (Exo 20:5). Our forefathers were involved in so many dark practices like idolatry, killing, occultism, gangsterism, drunkenness, all forms of wickedness. Say to yourself "I will not suffer for what I don't know about" This book to help you with the right bullet/prayer point to help correct or destroy wrong foundation and get freedom from foundational bondage, this part is mostly ignored by people and this is the most dangerous weapon used by the devil to cage the glory and destiny of people, so many people are experiencing different kinds of challenges in life in every aspect of life. There are families that experience a particular kind of affliction within the family circle that is what I call EVIL FAMILY PATTERN, some of these afflictions like; 1, untimely death 2, a particular kind of sickness. For

example stroke, diabetes, cancer, epilepsy, etc 3, poverty 4, late marriage, divorce, unstable marriage 5 failure and disappointment 6, childlessness, miscarriages, delay in conception, single sex children. 7, rise and fall etc Evil family pattern is associated with two things; 1, wrong foundation 2, curse When this is observed, then a monitoring familiar spirit is at work, most times it is from your foundation, it needs to be addressed. Some people might say I have been praying and I am not getting solution, listen to this; "Ye ask, and receive not, because ye ask amiss....."(James 4:3). When you use the wrong prescription you get the wrong result. This book contains directed prayer bullets...pray these prayers with strength n faith and get your freedom. This prayer bullet will help put an end to these evil occurrences, when properly used in obedience, victory is sure. It is a spiritual warfare because the devil is on assignment which is to KILL, STEAL AND DESTROY and anyone that knows he doesn't want to be a victim of this, would stand up and fight. Don't just sit there and cry, crying doesn't bring solutions instead it brings about sickness, the Bible says "THE KINGDOM OF GOD SUFFERS VIOLENCE AND ONLY THE VIOLENT CAN TAKE IT BY FORCE." Stop going from pastor to pastor, church to church when you can fight and conquer... ENOUGH IS ENOUGH.....POWER MUST CHANGE HANDS, this book is loaded with the most potent prayer bullets directed and positioned to destroy this evil

and deliver you from that bondage .....stop crying and complaining, the solution is in your hands, use it ...stand up use this bullets and get your freedom today.

*The Ruse of Repair* Patricia Stuelke 2021-08-13 Since the 1990s, literary and queer studies scholars have eschewed Marxist and Foucauldian critique and hailed the reparative mode of criticism as a more humane and humble way of approaching literature and culture. The reparative turn has traveled far beyond the academy, influencing how people imagine justice, solidarity, and social change. In *The Ruse of Repair*, Patricia Stuelke locates the reparative turn's hidden history in the failed struggle against US empire and neoliberal capitalism in the 1970s and 1980s. She shows how feminist, antiracist, and anti-imperialist liberation movements' visions of connection across difference, practices of self care, and other reparative modes of artistic and cultural production have unintentionally reinforced forms of neoliberal governance. At the same time, the US government and

military, universities, and other institutions have appropriated and depoliticized these same techniques to sidestep addressing structural racism and imperialism in more substantive ways. In tracing the reparative turn's complicated and fraught genealogy, Stuelke questions reparative criticism's efficacy in ways that will prompt critics to reevaluate their own reading practices.
