Prince of Thorns Limited Edition Mark Lawrence 2021-08
The path to the throne is broken--only the broken may walk it. The Broken Empire trilogy tells the tale of Jorg Ancrath. It is also the story of armies clashing, cities falling, kingdoms won and lost, and of the remaking of an empire. One narrative shadows the other. The singular struggle of a broken child growing into a man, seeking meaning and purpose is mirrored on a larger stage by his conquest of a broken empire. I am Jorg of Ancrath. I take what I want, and all of it is never enough. To reach the throne requires that a man journey. Even a path paved with good intentions can lead to hell, and my intentions were never good. This is where the wise man turns away. This is where the holy kneel and call on God. These are the last miles, my brothers. Don't look to me to save you. Don't think I will not spend you. Run if you have the wit. Pray if you have the soul. Stand your ground if courage is yours. But don't follow me. Follow me, and I will break your heart.

The Fifth Sorceress Robert Newcomb 2002-07-30 In *The Fifth Sorceress*, Robert Newcomb conjures a time and place wrought with exquisite detail, characters vividly drawn and deeply felt, and a history rich in glory and horror, splendor and secrets. . . . "We gave them a chance once, long ago. . . . We offered to share power equally, and in peace. But they refused and chose war. With them it was all or nothing. Wizard against Sorceress. Male against female. Light against dark." It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia. In its wake, those who masterminded the bloodshed—a quartet of powerful, conquest-hungry Sorceresses—were sentenced to exile, with return all but impossible and death all but inevitable. Now a land of peace and plenty, protected and guided by a council of immortal wizards, Eutracia is about to crown a new king. And as the coronation approaches, the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the "endowed" blood that will give him the power to master magic, and destined by tradition to succeed his father as ruler, he is a rebel soul. And when he discovers the ancient, hidden caves where strange red waters flow—possessed of their own mysterious magic—it only makes him yearn all the more to escape his future of duty . . . and succumb to the stirrings of enchantment within him. But more than tradition compels Tristan to ascend the throne. The very existence of Eutracia depends upon it. For after

these long centuries of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. And if indeed the old evil has returned, hungry to wreak vengeance, Tristan's role in an ages-old prophecy must be fulfilled—or the cost to his kingdom and his people will be beyond imagination. It will be a battle like none ever known, against an enemy whose thirst for blood and domination is depthless and unyielding. And for Tristan, it will be the ultimate challenge: facing an adversary whose greatest weapon is the person he loves most—transformed into the instrument of his annihilation . . . and the catalyst that will doom Eutracia forever to darkness.

The Lies of Locke Lamora Scott Lynch 2006-06-27
“Remarkable . . . Scott Lynch’s first novel, *The Lies of Locke Lamora*, exports the suspense and wit of a cleverly constructed crime caper into an exotic realm of fantasy, and the result is engagingly entertaining.”—*The Times* (London) An orphan’s life is harsh—and often short—in the mysterious island city of Camorr. But young Locke Lamora dodges death and slavery, becoming a thief under the tutelage of a gifted con artist. As leader of the band of light-fingered brothers known as the Gentleman Bastards, Locke is soon infamous, fooling even the underworld’s most feared ruler. Praise for *The Lies of Locke Lamora* “Fresh, original, and engrossing . . . gorgeously realized.”—George R. R. Martin “Right now, in the full flush of a second reading, I think *The Lies of Locke Lamora* is probably in my top ten favorite books ever. Maybe my top five. If you haven’t read it, you should. If you have read it, you should probably read it again.”—Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* “A unique fantasy milieu peopled by absorbing, colorful characters . . . Locke’s wit and audacity endear him to victims and bystanders

alike.”—*The Seattle Times* “A true genre bender, at home on almost any kind of fiction shelf . . . Lynch immediately establishes himself as a gifted and fearless storyteller, unafraid of comparisons to Silverberg and Jordan, not to mention David Liss and even Dickens.”—Booklist (starred review)

One Word Kill Mark Lawrence 2019-05 Ready Player One meets Stranger Things in this new novel by the bestselling author who George RR Martin describes as "an excellent writer." In January 1986, fifteen-year-old boy-genius Nick Hayes discovers he's dying. And it isn't even the strangest thing to happen to him that week. Nick and his Dungeons & Dragons-playing friends are

used to living in their imaginations. But when a new girl, Mia, joins the group and reality becomes weirder than the fantasy world they visit in their weekly games, none of them are prepared for what comes next. A strange--yet curiously familiar--man is following Nick, with abilities that just shouldn't exist. And this man bears a cryptic message: Mia's in grave danger, though she doesn't know it yet. She needs Nick's help--now. He finds himself in a race against time to unravel an impossible mystery and save the girl. And all that stands in his way is a probably terminal disease, a knife-wielding maniac and the laws of physics. Challenge accepted.

The Girl and the Moon Mark Lawrence 2022-04-26

In the third exhilarating novel in this dazzling epic fantasy series, a young outcast will fight against staggering odds to save her world. On the planet Abeth, a narrow Corridor of green land is surrounded on all sides by ice plains where only the

strong survive. Ice triber Yaz has completed a perilous journey and arrived at the Corridor, and it exceeds and overwhelms all of her expectations. Everything seems different but some constants remain: her old enemies are still two steps ahead, bent on her destruction. She makes her way to the Convent of Sweet Mercy, where nuns train young girls who show the old gifts, but like the Corridor itself the convent is packed with peril and opportunity. Yaz has much to learn from the nuns—if they don't decide to execute her. The fate of everyone squeezed between the Corridor's vast walls, and ultimately the fate of those laboring to survive out on ice itself, hangs from the moon, and the battle to save the moon centers on the Ark of the Missing, buried beneath the emperor's palace. Everyone wants Yaz to be the key that will open the Ark – the one the wise have sought for generations. But sometimes wanting isn't enough.
