After the Rain Karen White 2012-12-31 From New York Times bestselling author of the Tradd Street novels comes the sequel to Falling Home, a novel set in the picaresque town of Walton, Georgia, where one woman is about to discover that the best journey is the one that brings you home... Freelance photographer Suzanne Paris has been on her own since she was fourteen—and she has no intention of settling down, especially not in a tiny town like Walton. She’s here to hide out for a little while, not to form connections. Her survival depends on her ability to slip in and out of people’s lives, on never staying in one place for too long. But Walton is a town where everyone knows everyone else—and they all seem intent on making Suzanne feel right at home. She can’t help but feel drawn to this tight-knit community—or to the town’s mayor, Joe Warner, and his six kids. But Suzanne can’t afford to stick around, even if she’s finally found a place where she belongs. Because someone is looking for her—someone who won’t stop until her life is destroyed... CONVERSATION GUIDE INCLUDED

Unweaving the Rainbow Richard Dawkins 2006-04-06 A dazzling, passionate polemic against anti-science movements of all kinds. Keats accused Newton of destroying the poetry of the rainbow by explaining the origin of its colours. In this illuminating and provocative book, Richard Dawkins argues that Keats could not have been more mistaken, and shows how an understanding of science enhances our wonder of the world. He argues that mysteries do not lose their poetry because they are solved: the solution is often more beautiful than the puzzle, uncovering even deeper mysteries. Dawkins takes up the most important and compelling topics in modern science, from astronomy and genetics to language and virtual reality, combining them in a landmark statement on the human appetite for wonder.

Rain+Bow=Rainbow Amanda Rondeau 2004-01-01 Illustrations and easy-to-read text introduce compound words related to nature and being outdoors.

***** AS THE STORM CLOUDS OF WAR GATHER, WILL HER LIFE BE THE ONE SHE DREAMED OF? The Brogdens are one of Chalywell's most important families: their antique business is famous for its beautiful furniture and pictures. But the most beautiful - and valuable - thing in Old Jacob Brogden's life is his granddaughter, Lois - for Lois reminds him of the daughter he had lost so tragically many years ago. When Lois falls in love with John Farrar, the whole family are dismayed, for between Jacob and the Farrars lies a deep and abiding feud that can never be mended. Lois, conscious of the storm clouds of war gathering over her future, determines that nothing and no-one should come between her and her beloved John. But as war breaks out and families are torn apart, Lois finds her life changing irrevocably.

A Rainbow in the Rain; Being the Journal of Margaret Watson, a Sojourner in England, and the Letters of Chu Shien Yo, a Chinese School Boy Cochran Jean Carter 1876- 2013-06 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

For colored girls who have considered suicide/When the rainbow is enuf Ntozake Shange 2010-11-02 In celebration of its highly anticipated Broadway revival, Ntozake Shange's classic, award-winning play centering the wide-ranging experiences of Black women, now with introductions by two-time National Book Award winner Jesmyn Ward and Broadway director Camille A. Brown. From its inception in California in 1974 to its Broadway revival in 2022, the Obie Award-winning for colored girls who have considered suicide/when the rainbow is enuf has excited, inspired, and transformed audiences all over the country for nearly fifty years. Passionate and fearless, Shange's words reveal what it meant to be a woman of color in the 20th century. First published in 1975, when it was praised by The New Yorker for "encompassing...every feeling and experience a woman has ever had," for colored girls who have considered suicide/when the rainbow is enuf will be read and performed for generations to come. Now with new introductions by Jesmyn Ward and Broadway director Camille A. Brown, and one poem not included in the original, here is the complete text of a groundbreaking dramatic prose poem that resonates with unusual beauty in its fierce message to the world.

The Rainbow Through the Rain Geoffrey Scott Mowat 2005

Rain Before Rainbows Smriti Halls 2021-05 Rain before rainbows. Clouds before sun. Night before daybreak. A new day's

begun. A girl and her companion fox travel together from a place of loss and despair, through uncertain times, towards the hope of colour, light and life. Along the way, they find friends to guide and support them. Together, they build a glorious future and discover there is a way out of the darkness, into the light of the rainbow. A book with immense hope at its heart, this is a positive message for anyone who's ever gone through a tough time.

Wonder, the Rainbow, and the Aesthetics of Rare Experiences Philip Fisher 1998 Why pause and study this particular painting among so many others ranged on a gallery wall? Wonder, which Descartes called the first of the passions, is at play; it couples surprise with a wish to know more, the pleasurable promise that what is novel or rare may become familiar. This is a book about the aesthetics of wonder, about wonder as it figures in our relation to the visual world and to rare or new experiences. In three instructive instances--a pair of paintings by Cy Twombly, the famous problem of doubling the area of a square, and the history of attempts to explain rainbows--Philip Fisher examines the experience of wonder as it draws together pleasure, thinking, and the aesthetic features of thought. Through these examples he places wonder in relation to the ordinary and the everyday as well as to its opposite, fear. The remarkable story of how rainbows came to be explained, fraught with errors, half-knowledge, and incomplete understanding, suggests that certain knowledge cannot be what we expect when wonder engages us. Instead, Fisher argues, a detailed familiarity, similar to knowing our way around a building or a painting, is the ultimate meeting point for aesthetic and scientific encounters with novelty, rare experiences, and the genuinely new.

Hayley the Rain Fairy Daisy Meadows 2007-03-01 Rachel and Kirsty have only one magic feather left to find and it belongs to Hayley, but with a flood underway, they have difficulty reaching it.

Raindrops to Rainbow John Micklos, Jr. 2021-03-02 A gentle rhyming picture book that shows how color can be found all around us, whether there are raindrops falling or a bright rainbow high above. Raindrops are falling outside, but there's still a world of color to experience! Delightful rhymes and brilliant illustrations detail how a gloomy, rainy day might not actually be so gloomy after all when you get to spend time with Mom, Brown Bear, and the colors around you. And when a "beaming rainbow, bold and bright" cuts through the sky, everyone gets to experience the joy of all the colors that can only come after the rain.

There Is Always a Rainbow After the Rain Benazir Tilekova 2017-05-07 Dedicated to single mothers.Dear sister, I dedicate this book to you because I am familiar with all your hardships and difficulties for the simple reason that I also had to raise my child all alone. I hope that the story of this girl will inspire and help you not to lose heart when life storms come your way and when there is nobody to rely on, but God and yourself, and that you are able to enjoy your life the way it is. Enjoy your reading!

The Serpent and the Rainbow Wade Davis 2010-10-05 A scientific investigation and personal adventure story about zombies and the voodoo culture of Haiti by a Harvard scientist. In April 1982, ethnobotanist Wade Davis arrived in Haiti to investigate two documented cases of zombies—people who had reappeared in Haitian society years after they had been officially declared dead and had been buried. Drawn into a netherworld of rituals and celebrations, Davis penetrated the voodoo mystique deeply enough to place zombification in its proper context within voodoo culture. In the course of his investigation, Davis came to realize that the story of voodoo is the history of Haiti—from the African origins of its people to the successful Haitian independence movement, down to the present day, where voodoo culture is, in effect, the government of Haiti's countryside. The Serpent and the Rainbow combines anthropological investigation with a remarkable personal adventure to illuminate and finally explain a phenomenon that has long fascinated Americans.
