*Close to Shore* Michael Capuzzo 2001 As the idle rich thronged the palatial hotels of the Jersey Shore in the summer of 1916, America was at its most self-confident. But the world's first industrial superpower was about to receive a series of terrifying shocks. Sharks, it was believed, were simply not man-eaters, so when a lone Great White shark, driven inshore by freak climatic conditions, began to develop a taste for human flesh, America went into total denial. Only after the most horrific attacks was the truth admitted - and an unprecedented national frenzy forced President Woodrow Wilson to mobilize the US Navy in an attempt to put nature back in its place. Combining biology, history and adventure, this is the first book on the events that pitted 20th-century technology against an ancient, mythic enemy and became the model for Peter Benchley's *Jaws*.

**I Survived the Galveston Hurricane, 1900 (I Survived #21)** Lauren Tarshis 2021-09-07 More than a century later, the Galveston Hurricane of 1900 is still America's deadliest disaster. Lauren Tarshis's story of one child surviving the horrible event churns with page-turning action and bold hope. The city of Galveston, Texas, was booming. Perched on an island off the southern coast of Texas, Galveston had been founded in the 1830s. By 1900, it was Texas's richest and most important city. Boats loaded up with American cotton and wheat steamed from Galveston to

countries around the world. Arriving ships were crowded with immigrants. The streets, paved with crushed oyster shells, sparkled like they'd been sprinkled with diamonds. True, this glittering city was prone to flooding. But just a few years before, a weather forecaster had said the idea of a hurricane striking Galveston was absurd. So when a storm started brewing on September 8, 1900, no one believed it would be any worse than previous storms. They gathered on the beach to cheer on the wild waves. But what started as entertainment soon turned into a nightmare as those wild waves crashed into the city. By morning, hundreds of homes were destroyed. Eight thousand people were dead. The city had all but disappeared. In this thrilling installment of Lauren Tarshis's New York Times bestselling *I Survived* series, one child finds safety only to head back into the treacherous waters to make sure his neighbors are safe.
